Green Mountain Brand

SAUSAGE!

Green Mountain Brand Sausage is our particular make. We sell more of it than any other market in this vicinity sells of any kind of sausage.

We sell our Green Mountain Brand Sausage at twelve cents a pound. The price always stays right there. It has got such a good reputation that we are kept hustling to supply the demand.

The reason for this is the fact that our Sausage is the best and the cleanest Sausage on the market. It lives on its merits alone.

Few Stores Will Tell People the Real Truth About Furs They Sell

There are women in our store every day wearing something different than they thought they had got and who paid the price for what they thought they got. We don't know of anything that the people are so well uncooled upon as they are on Furs. If you are interested in Furs we'll tell you how the expert is bothered to tell the dyed Fur from the real and will show you both.

ARE YOU INTERESTED IN THE BEST?

It is our object to give our best attention to the quality of our garments. Of course the price should be considered to a certain extent, but unless we can get garments that the quality is up to the standard, we will not put them into the department at any price. As to style, you can readily appreciate our advance in that line.

OUR CLOTHING

Our kind of Clothing is not the ordinary sort. When we say "ordinary," we mean the kind of Clothing that you'll see in nine out of ten Clothing stores. For instance: You can buy a Suit for \$12.00, \$15.00 or \$18.00 in any Clothing house. Common price, you'll say. Yes! You're right! Every Clothier sells Men's Suits at these prices. But if you will come in for a look at our Fall and Winter Suits at these prices you'll see Suits that you have never seen equaled for the money. That's the point.

Individuality--Exclusiveness

Those are the qualities that appeal to the smart dresser in buying Hats. The materials, the fit and finish must be of the highest quality, but nothing so appeals as a well-made hat which is striking and different from any other. Our line excels in

Individuality, Exclusiveness, Originality.

and are sold at prices which give you a stylish, UP-TO-DATE Hat at a cost within the reach of all.

PIANOS

I am showing the largest stock in Central Vermont and the most desirable line in the State. You get the same value here as elsewhere, and save one-third of your money. Ten years ago I began selling a thoroughly good Piano for \$200.00 and as yet no man in Vermont has ever attempted to follow my example. To purchase a Piano without seeing my line of goods is a mistake indeed; besides, you rob yourself.

IT PAYS TO PAY CASH

We gave away nearly three hundred bags of Flour last month, a cash value of nearly three hundred dollars. Did you get your share? When you take into consideration this discount from our low prices you cannot afford to run grocery bills. You had much better hire the money and pay cash.

Again, a family doing business on the credit system buys much more than when paying cash for everything. Many things are bought that would not be if they were paying cash.

No disputes or uncertainty over amounts. If you do not wish to make change every time, or are not at home when the order man calls, we sell you a five, ten, fifteen or twenty-dollar coupon book and give you the cash rebate on the full amount in one check. Leave the book where the order man leaves the goods and he will take out the amount and leave the bill.
